

Greater Virginia Peninsula Homelessness Consortium (GVPHC)
2018 Continuum of Care
DRAFT RANKING ORDER

On June 20, 2018, HUD released the Notice of Funding Availability (NOFA) for the Continuum of Care (CoC) Program, including the announcement of \$2.1 billion in funding available for FY 2018 CoC Program Competition. HUD anticipates that the appropriated funding will be enough to renew all existing projects eligible for renewal funding under the FY 2017 CoC Program Competition. However, the NOFA still requires the CoC to clearly indicate which projects are prioritized for funding utilizing a two-tiered ranking process, except for CoC Planning and UFA costs, with the understanding that projects ranked in the second tier are at risk of not being funded.

The FY2018 Appropriation impacted funding available for CoC Program priorities in the FY2018 NOFA and Competition

- HUD will only provide up to 7% in additional funds for project administrative costs
- CoCs will have to rank all projects applications in utilizing a two-tiered process, with each tier representing financial thresholds

HUD has established financial thresholds within which CoCs must place projects:

- Tier 1 = 94% of the CoC's Annual Renewal Demand (ARD)
 - Ranking begins with 1
 - Ranking continues through the number of projects it takes to meet this financial threshold
- Tier 2 = The CoC's ARD minus Tier 1, plus the 6% Permanent Housing Bonus
 - Ranking begins with the number after the last number in Tier 1
 - Ranking continues through the number of projects it takes to meet this financial threshold

CoC's Approved Annual Renewal Demand	\$ 1,955,738
CoC's Approved Preliminary Pro Rata Need	\$ 1,443,050
CoC's Approved Planning Amount (Not ranked)	\$ 58,672
CoC's Approved Permanent Housing Bonus	\$ 117,344
CoC's Approved Domestic Violence Bonus	\$ 144,305.00
Amount for Tier 1 Projects	\$ 1,838,394
Amount For Tier 2 Projects (including PH Bonus)	\$ 378,993

TheGVPHC Program Monitoring Committee convened on August 2, 2018 to assess the effectiveness and efficiency of each project and determine the FY 2018 GVPHC Renewal Project Ranking Order for the Continuum of Care Consolidated Application.

This announcement shall serve as notification of CoC approval to apply for funding under the FY2018 GVPHC Continuum of Care Consolidated Application.
