Donors can submit quickly and securely via the Sleep in Heavenly Peace VA-Hampton Donor Perfect page. There are several advantages to this route. First, it's faster. Second, no danger of potential paper cuts from licking stamps and envelopes, and lastly, it's easier and faster for us to send a donation receipt.

To use the online method, choose one of these three options:

1. Navigate to our Facebook page at www.facebook.com/shphampton and click on the "Learn More" button.

OR

2. Navigate directly to our Donor Perfect page at: https://interland3.donorperfect.net/weblink/weblink.aspx?name=E345876&id=118

OR

3. Scan the QR Code below with your phone to go to the page.

Then follow the instructions on the page, fill out your donation information, click next and follow the prompts.

Note on email addresses: We don't spam, and we don't sell our email addresses. 'We'll do anything for love, but we won't do that.' However, we do send receipts, confirmations and other SHP updates through email, which notices can be turned off at any time by request.

THAT'S IT! You're done. THANK YOU for your donation, love, and support for such a wonderful cause!
How to Donate

How to donate funds by check to Sleep in Heavenly Peace - Hampton, Virginia Chapter:
(See reverse side for how to donate online)

First, we’d like to thank you for responding to the needs of so many children in our community and we’re excited to have you join with us on this journey to ensure that NO KID SLEEPS ON THE FLOOR IN OUR TOWN.

There are two primary ways to donate funds by check, so you can qualify as a tax-deductible donation to this non-profit 501(c)3 charity. We'll go over them here.

1. Mail Service
2. In person

Mail Service:

Let’s start with an oldie, but a goodie – the good ol’ US Postal Service! Everyone likes to get mail, and we at SHP are no exception! Donors can submit checks directly to SHP through the mail and donations will be processed and a receipt of donation returned. To go this route:

1. Make check out to: Sleep in Heavenly Peace, Inc.
2. Clearly in the ‘Memo’ or ‘For’ section, Write Only “VA-Hampton Chapter” (without the quotation marks), please no other comments if possible.

*Please Note* – if you send a donation to the corporate office (Twin Falls, ID) without designating the “VA- Hampton Chapter” in the memo line, that donation goes into the General Donation fund and it will not be applied to our chapter funding. Rest assured it will still go to a good cause, just not our local chapter! If you mail it to the Hampton Address, we will get it to the right place.

3. Mail the check to:

Sleep in Heavenly Peace, Inc.
P.O. Box 1464
Hampton, VA 23661

In person:

If you hand deliver a check to us, please provide you contact info along with your check so that once we process your donation, we can send you a proper receipt.

And again, THANK YOU for your donation, love, and support for such a wonderful cause!
Host Your Own Build Day

Our build day events are completely scalable and customizable to fit your organization’s needs. Build day events are perfect for:

- Corporate Team Building
- Church groups
- Community events
- Civic groups / Clubs
- Eagle Scout service projects
- Family Reunions
- Fraternity/Sorority events

Our build days come in two basic types:

- Public
- Private

And fall into two basic categories:

- Chapter Builds funded by donations to the chapter (usually a public event)
- Sponsored builds funded by organization or company (can be public or private)

How it works

Once funding is available, the event date and location will be decided upon and set up. Then all the other things associated with the build will be arranged either by SHP staff or the sponsoring organization.

On the day of the event, SHP staff will show up with the tools, equipment, and lumber needed for the build day. Once the build is complete, the volunteers and SHP staffers will clean up, and pack all the tools and newly assembled beds into the trucks and/or trailers to be transported back to the SHP storage facility.

At some later date SHP staffers, with the help of volunteers, will deliver the beds to kids in the community who are in need.

Host Your Own Build Day

SHP build days take shape in several ways, they are scalable and customizable to fit your needs. Whether you are a big, multi-national corporation looking for team building exercise ideas for your employees, or an Eagle Scout candidate looking for a service project, SHP can help. We will custom tailor a build day to suit your organization’s size, budget, and space availability.

Our build day equipment is 100% mobile and transportable, so we can bring our build days to you. Don’t have an indoor space available? No problem. We can hold your build day almost anywhere that’s spacious enough to set up our equipment. We have them in parking lots, warehouses, stadiums, etc. However, we do recommend having some sort of shade covering such as a tent or canopies for the comfort of your volunteers and ours. We also have agreements with other organizations that allow us to use their spaces for our events when we need them.

We can scale your build day to fit your budget and / or the number of volunteers you have. We recommend having 2 – 3 volunteers available for every bunk bed you plan to build. So, a 10-bunk build would need 20-30 volunteers (not including SHP staff). Don’t have enough volunteers? Don’t worry. If you allow us, we have a list of people anxious and willing to come build beds with us. We can help bolster your volunteer count.

NO KID SLEEPS ON THE FLOOR IN OUR TOWN!
HOW CAN YOU HELP?
Our Bunk Bed Build Days are the perfect event if you’re looking for a service opportunity for your organization and will make a permanent difference in your own community. You can also join our delivery team and see the smiles on the children who receive their very own bed for the first time.

Sponsor a Build Day
Our Build Days are special events where we partner with an organization from the community to build our bunk beds. The more money and volunteers we have, the more beds we can build.

Donate to our cause
Each bunk bed costs $360. This includes the cost of the material, mattresses, and bedding. Your budget will determine the amount of children we can get off the floor and into their own beds.

Volunteer your time
A private build day includes employee volunteers, or you can hold a public event and engage the community. Build days are great skill-building and networking events for your staff members.
